BREEDING CENTRE 2020 FEES

Fees include GST

BOARD / AGISTMENT

MARES –

Daily board \$25.00 per day- includes 2 feeds per day of hay and hard feed (such as Prydes bio-mare). Safe steel yards with shelters. Maximum 2 horses per yard, generally only 1.

Daily board – small group - \$20.00 per day. Includes 2 feeds per day of hay. May be in a group of up to 5 other mares.

Foal at foot add \$3- per day to above fees.

STALLIONS

Daily board \$28- per day – includes 2 feeds per day of hay and hard feed. Own steel fenced yard.

Note If own feed supplied board remains the same price.

BREEDING –

MARES - Fees do not include board and agistment.

We offer an option of a per cycle fee or standard fees - charges as per fees listing.

Per Cycle fee – Fresh / chilled semen \$395.00 Frozen Semen - \$495.00

Price includes standard fertility drugs, pre insemination scanning, insemination and post insemination checks and 14-16 day scan. It does not include variables such as return freight of stallion shipper, twin reductions, uterine flushing if necessary or additional post pregnancy scans or other veterinary costs if required.

Standard fees –(if not electing the per cycle fee)

Scanning \$55 per scan

Insemination \$99 (plus ovulatory drugs if required)

Uterine Flushing if required \$275

Drugs – variable depending on the most suitable for the mare

If any fees or charges involved with organising and ordering semen are incurred they will be passed on at cost

STALLIONS - Fees do not include board and agistment

Collection Fee \$295.00

Collection training – Daily board and standard Collection Fee, plus an additional \$125- per collection training session.

FREIGHT – Shipped semen outgoing - Will be charged in line with those fees charged to us by Toll Priority. Should same day or airport to airport be required an additional \$220 fee applies plus the freight charged by the carrier. Freight charges will be estimated and must be paid in advance or credit card details advised. Adjustments will be made if price varies.
